## About us

Fresenius Medical Care is the world's leading provider of products and services for people with chronic kidney failure. Around 3.5 million patients worldwide with this disease regularly undergo dialysis treatment. Dialysis is a life-saving blood cleansing procedure that substitutes the function of the kidney in case of kidney failure. We care for more than 349,000 patients in our global network of more than 4,000 dialysis clinics. At the same time, we operate 45 production sites in more than 20 countries, to provide dialysis products such as dialysis machines, dialyzers and related disposables.

Fresenius Medical Care aims to further consolidate its expertise and to use this competence as a basis for sustainable, profitable growth. We aim to continuously improve our patients' quality of life by offering them high-quality products as well as innovative technologies and treatment concepts. Fresenius Medical Care's corporate headquarters is in Bad Homburg v. d. Höhe, Germany, and the headquarters of Asia-Pacific is in Hongkong.

## Products

Fresenius Medical Care distributes a full range of:

- Hemodialysis machines
- Peritoneal dialysis systems
- Water treatment systems
- Dialysis consumables
- Medical treatment chairs and other related products
